Education

Shri Ramswaroop Memorial University B.Tech in Computer Science and Engineering	2023 – Present CGPA: 7.56
Sardar Patel Inter College, Kaisarganj Intermediate	2021 – 2023 67%
Pt. R.N. Public School, Bahraich High School	2019 – 2021 78.5%

Experience

Co-Founder & Full Stack Developer	ByteBound.in — 2024 – Present
- Co-founded a student-led digital agency focused on building modern websites and web applications. - Developed full-stack features using React.js, Node.js, Express.js, and MongoDB. - Collaborated with team members to design, develop, and deploy production-ready projects.	
Smart India Hackathon (SIH) – Internal Selection	2025
- Selected in the internal round representing the university. - Collaborated in a team to design solutions for real-world problems under strict deadlines. - Contributed to frontend development and idea validation.	

Technical Skills

Languages: JavaScript, Python (Basic), Java, HTML, CSS
Frameworks: React.js, Node.js, Express.js, Tailwind CSS, Bootstrap
Databases: MongoDB, SQL
Developer Tools: Git, GitHub, VS Code, Docker (Basic), Figma, Canva
Deployment: Netlify, Vercel, Render
AI Tooling: ChatGPT, Claude AI, Gemini, Replit AI

Projects

DevTrack – Developer Productivity Dashboard — React.js, Node.js, Express.js, MongoDB
- Developed a full-stack dashboard to help developers track coding activity, daily tasks, and development progress. - Implemented task management features to monitor coding goals and completed tasks. - Built REST APIs using Express.js and integrated MongoDB to manage user productivity data. - Designed a responsive dashboard UI using React.js to visualize developer activity.
Image Background Remover — HTML, CSS, JavaScript, REST API
- Built a web application that removes image backgrounds using an AI-based third-party API. - Implemented image upload, preview, and background-removed image download functionality. - Added API integration, error handling, and loading states to improve user experience.
Personal Portfolio Website – infoansh.in — React.js, Tailwind CSS
- Designed and developed a responsive portfolio website to showcase projects, skills, and developer profile. - Implemented clean UI design, smooth navigation, and responsive layouts using Tailwind CSS. - Deployed a live production website demonstrating frontend development capability.

Co-curricular Activities

- Participated in Smart India Hackathon (SIH) and collaborated with a team to build solutions for real-world problems. - Actively participated in coding competitions, technical workshops, and developer events to strengthen problem-solving and teamwork skills.
